

2015 Chicago Five Star Real Estate Agent

2015 Five Star Real Estate Agent

Five Star Professional partnered with Chicago magazine to identify real estate, mortgage and insurance professionals in the Chicago area who deliver outstanding service and client satisfaction. The Five Star Professional research team contacted thousands of recent homebuyers, as well as other consumers. Clients may also submit evaluations online. Phone, mail and online respondents rated their service professional on criteria such as overall satisfaction and whether they would recommend the provider to a friend. The research methodology allows no more than 7 percent of professionals in each category to receive the award.

Professionals who satisfied each of the following objective criteria were named a 2015 Chicago Five Star Real Estate Agent, Five Star Mortgage Professional and Five Star Home/Auto Insurance Professional:

1. Received a qualifying client satisfaction rating.
2. Satisfied the applicable state licensing requirements.
3. Actively employed as a licensed professional for a minimum of three years.
4. Favorable regulatory and complaint history review.
5. Satisfied minimum client volume or production on a one-year and three-year basis (number and volume of transactions or number of client households served).

- Five Star Professional surveyed Chicago-area residents who purchased a home priced at more than \$150,000 within a six-month period (July 2013 to December 2013). The final list of 2015 Chicago Five Star Real Estate Agents is a select group, representing less than 3 percent of real estate agents in the area. Evaluations were collected by mail, phone and online at www.fivestarpromotional.com/homesurvey.

Research DISCLOSURES

- The 2015 Five Star Real Estate Agents, Mortgage Professionals and Home/Auto Insurance Professionals do not pay a fee to be included in the research or the final list.
- Each professional is screened against state governing bodies to verify that licenses are current, and no disciplinary actions are pending.
- The inclusion of a real estate agent, mortgage professional or insurance professional on the final lists should not be construed as an endorsement by Five Star Professional or Chicago Magazine.
- The research process incorporates a statistically valid sample in order to identify the professionals in the local market who score highest in overall satisfaction. These professionals are not included on the list unless their score is statistically valid.
